Admitted Student Event
Friday, April 5, 2013

FAQ

1. **What is the purpose of the Admitted Student Event?**
The day is an opportunity for Price School admitted students to meet our faculty, staff, current students, and alumni. The event includes various activities, such as the financial aid information session, meetings with the program directors, and interaction with current students, to provide admitted students insight into their selected master’s programs.

2. **What is planned for the event?**
The event begins with a continental breakfast with the faculty of the Price School. There will be opportunities to interact with the Dean, find out the details of your master’s program, and many other informative activities. A schedule of events can be downloaded from the main RSVP website.

3. **How do I make arrangements to be there if I’m not in the near vicinity of Los Angeles?**
In an effort to make attendance possible for northern California and out-of-state students, the Price School agrees to reimburse students a portion of their airfare costs. The Price School will reimburse those from northern California 50%, up to $200, of their air travel costs. Students from out-of-state are eligible to have up to $200 of their air travel costs reimbursed. The Price School Travel Reimbursement Form and information can be downloaded on the main RSVP website.

4. **What other travel arrangements are covered by the Price School?**
Unfortunately, only air travel arrangements are eligible for the Price School travel reimbursement. Hotel accommodations are not covered under the Price School travel reimbursement. Hotel accommodations may be made through STA Travel or own your own. A list of nearby hotels can be found on the main RSVP website.

5. **What is the dress code?**
Business casual with comfortable shoes is recommended.

6. **What’s the weather like?**
The weather should be warm during the day. Please be sure to bring a sweater or lightweight jacket to wear during the evening because we will be outside on the patio and Los Angeles tends to get chilly at night.
7. **Is this event mandatory?**

This event is not mandatory, but we highly encourage you to attend in order to find out more about USC and the Price School. By attending this event, students can make the most informed decision with the information provided and the impressions they come away with.

8. **If I can’t attend, may I visit USC at a later date on my own?**

We really encourage students to attend this event, however we understand if you’re unable to attend because of prior commitments. If you decide that you would like to schedule a campus visit with us after this event, you are more than welcome to. Please understand that we are unable to provide the same activities during a campus visit.

9. **I have further questions about the Admitted Student Day. Whom should I contact?**

Please feel free to contact Megan Curran, Student Services Advisor, at mecurran@usc.edu or (213)740-3353.
