WHAT IS THE SUMMER ENRICHMENT PROGRAM?
The Sacramento Summer Enrichment Program (SSEP) is designed to increase awareness of public administration and healthcare management as a career.

On campus presentations featuring:
- Faculty, alumni, public administrators, healthcare leaders
- Networking and job application tips and techniques

Site visits:
- Visits to public agencies and health care organizations serving diverse and/or underrepresented communities and/or lead by executives of color

Post-SEP mentoring and application support:
- Informal counseling and mentoring
- Maintain contact and communication
- Guidance about applying to graduate school

WHAT IS THE PURPOSE?
To provide students with the opportunity to learn more about the major issues, skills, and responsibilities involved in public administration and health care management. The program will enhance students’ knowledge and understanding of the fields and therefore, better position them to pursue a career in public administration and/or health care management.

APPLICATION DEADLINE: Applications must be received by Monday, May 30, 2016 in order to be considered for review. The Selection Committee will only review and evaluate complete applications. Visit www.usc.edu/sacto for more details and a link to the application form.

The original Diversity in Healthcare Leadership Initiative is still offered in Los Angeles. More information about the LA program can be found at https://priceschool.usc.edu/programs/masters/mha/summer-enrichment/.
