

## DESCRIPTION

Scholarships based on academic merit awarded to students who express an interest in a career in local government. City/County Management Fellows are mentored by and participate in meetings and programs hosted by the City/County Management Board, a group of influential city and county managers. In addition, the Board provides stipends for conference travel. Awards are renewed for the second year assuming satisfactory academic progress.

## ELIGIBILITY

Must plan to enroll in the in-person MPA program

Must apply by the December 15th admission deadline

Scholarship renews assuming satisfactory academic progress and at least a 3.0 cumulative GPA

## HOW TO APPLY

To apply, please complete the City/County Management Fellowship Application which is part of the [USC Graduate Application](#) for Admission.
