

DESCRIPTION

Scholarships for students who have demonstrated academic and leadership excellence. Preference will go to National Merit Scholars who are accepted and enrolled at the USC Price School.

However, if during a specific academic year, a National Merit Scholar is not accepted or enrolled at the USC Price School, the scholarship would be awarded to an incoming freshman who exhibits exemplary academic and leadership excellence.

ELIGIBILITY

Incoming first-year students who enroll at Price full-time.

Preference given to National Merit Scholars but not required.

U.S. citizen or permanent resident

HOW TO APPLY

No application required. Selection is made after the National Merit Scholarship recipients have been identified.

If a National Merit Scholar is not selected, an application will be sent out to first year students to be considered.
