

## DESCRIPTION

Scholarships intended to financial assist those who have made contributions to our professional communities represented by the Price master's degree programs. Students with several years' work experience, as well as those early in their careers whose contributions may have been through volunteer work, are encouraged to apply. Award will be disbursed evenly among students' program duration.

Selection will be based on students' professional contributions to our field and their plans to build on those experiences after they graduate. Award amounts contingent upon enrollment plans (see more in application).

## ELIGIBILITY

Must plan to enroll in the MHA, MPA, MUP, MPP, MRED, MS PPDS, IPPAM, or MNLM programs in-person at the University Park Campus

Open to domestic, undocumented, and international students

Scholarship renews assuming satisfactory academic progress and at least a 3.0 cumulative GPA

## HOW TO APPLY

The application is available in [Scholarship Universe](#). Prospective students log in using their youSC credentials.
