

## DESCRIPTION

The Sacramento Professional Scholarships are funded through endowments or created in the names of individuals, families, and organizations. All of these awards are designated to support students pursuing the MPA degree in Sacramento. Awards are made to entering students based on academic merit and professional promise and are renewable for a second year assuming satisfactory academic progress.

- **California Wellness** – partial tuition scholarships awarded to graduate students interested in health administration
- **Ross Clayton Graduate Fellowship** – partial tuition scholarships awarded to graduate students interested in public administration
- **Houston Fournoy Fellowships** – partial tuition scholarships awarded to graduate students interested in public administration
- **Sterling Franklin Graduate Fellowship** – partial tuition scholarships awarded to graduate students interested in public administration
- **G. Donald Montgomery Scholarships** – \$1,000 scholarships awarded to graduate students interested in public administration
- **Sacramento Scholarship Fund** – partial tuition scholarships awarded to graduate students interested in public administration

## ELIGIBILITY

Must be an entering student in the MPA Sacramento program

## HOW TO APPLY

In addition to submitting the [USC Graduate Application for Admission](#), students must complete the Professional Scholarship for Sacramento Students Application available in [Scholarship Universe](#).

Prospective students can access Scholarship Universe through the youSC Portal.
