

DESCRIPTION

Scholarships for graduate students enrolled in the on-campus Master of Health Administration program at the University Park Campus. Scholarships aim to recognize leadership experience or potential for leadership and a commitment to making a positive impact to underrepresented communities in health-related fields.

ELIGIBILITY

Based on academic merit and/or financial need (as determined by the USC Financial Aid Office)

May be enrolled full-time or part-time

Must be enrolled in courses for the on-campus MHA program

HOW TO APPLY

The application is available in [Scholarship Universe](#). Prospective students log in using their youSC credentials. Continuing students log in using their USC Net ID and password.
