Selected media coverage

Comments on an article on city size and inequality for El País (February 2, 2023):

[Las élites concentran los beneficios que generan las grandes ciudades.](#)

Our article 'Learning by working in big cities' was cited in Financial Times (September 29, 2020):

Cities are too resilient to be killed by Covid.

Our article 'Learning by working in big cities' was cited in *Le Monde* (July 14, 2020): *Créer une prime de déménagement pour redonner de l'élan à l'emploi des jeunes*.

Findings from two of our articles were cited in *The New York Times* (July 17, 2019): *Integration vs. White Intransigence. Separate has never been equal*.

Our article 'City of dreams' was summarized by Richard Florida at CityLab (March 29, 2016): *The Self-Confident City*

My articles 'Selection in initial and return migration' and 'Wage cyclicalities in Spain' were referenced in *Nada es Gratis* in November 2011, October 2014, and March 2017.
