

USC DIVERSITY IN HEALTHCARE LEADERSHIP INITIATIVE

2019 Summer Enrichment Program Student Fact Sheet

WHAT IS THE SUMMER ENRICHMENT PROGRAM?

The Summer Enrichment Program (SEP) is designed to increase awareness of health care management and health policy as potential career fields and has been running in Los Angeles since 2002.

On campus presentations featuring

- Faculty, alumni, health care leaders
- Projects and presentations to stimulate learning and build supportive relationships
- Information on a variety of career options in health care management

Site visits

- Visits to health care organizations serving diverse and/or underrepresented communities and/or led by executives of color
- Community service volunteers for a day

Post-SEP Mentoring and Application Support

- Informal counseling and mentoring
- Maintain contact and communication
- Guidance about applying to graduate school

PROGRAM DATES

LOS ANGELES

July 22-26, 2019

WHAT IS THE PURPOSE?

To provide students with the opportunity to learn more about the major issues, skills, and responsibilities involved in health care management. The program will enhance students' knowledge and understanding of the field and therefore, better position them to pursue a career in health care management or health policy.

APPLICATION DEADLINE: Applications must be received by **May 31, 2019** in order to be considered for review. The Selection Committee will only review and evaluate complete applications!
