

## Plans for Outdoor Activities Spring 2021

### Background

The Los Angeles County Department of Public Health has given permission for some limited in-person outdoor activities starting in early March. These outdoor activities will take place in designated areas and may include individual or small group studying, advising meetings, creative studio space, and athletic conditioning. NO IN-PERSON INSTRUCTION IS PERMITTED AT THIS TIME.

### Location

The Price School has been assigned a canopy on Childs Way outside the Widney Alumni House that we will share with the Marshall School.

### What is provided:

- Facilities staff will disinfect the area 3x times a day
- Hand sanitizer and disinfectant wipes
- Tables and chairs arranged to accommodate no more than 10 people with 6-foot physical distance
- Electricity, lighting, and charging station

### Reservations

Faculty and staff may request the canopy for small in-person activities. To make a reservation, we are required to submit an Outdoor Venue Checklist

- At least 5 days prior to the proposed activity, please email [Linda Peacore](#) with the following information:
  - Name of activity
  - Date and hours
  - Description of activity (e.g., small group advising session)
  - Number of students and number of faculty/staff (total of 10 max)
  - Name of faculty/staff in charge of activity (must be present and responsible for compliance)
- Based on this information, Linda will complete the Outdoor Venue Checklist and submit it for approval.
- Once approved, the activity will be scheduled through EMS. We will need a list of all attendees within one week of the activity.

### User responsibilities

- Practice physical distancing – 6-foot spacing between individuals
- Wear a cloth face covering over nose and mouth
- Do not rearrange furniture
- Use disinfectant wipes to clean tables, chairs before and after use
- No food or drink
- Do not share spaces, cellphones, or other equipment
