

USC Progressive Degree Program

Application for Admission to Progressive Master's Program

Enter all remaining requirements for the bachelor's degree and all master's degree requirements chosen in consultation with the graduate advisor. This information will be used to create your master's program STARS report if your application is accepted. In addition to the master's courses identified on the course plan, all other requirements for Master's degree completion must be satisfied/waived on the STARS report. Submit this application to the graduate department with supplemental materials as required for admission.

Proposed Course Plan

List courses and units to be taken to fulfill all remaining degree requirements on your STARS Report at the time of application. **Exact** courses must be listed for each master's core requirement; electives may be listed as "graduate degree elective". Elective coursework can be decided later by the student with approval from their graduate program advisor.

- Begin with the current semester. If this is a revised course plan, begin with the term in which the first master's course was or will be completed.
- Check "UG" for courses to be taken to fulfill bachelor's requirements; check "GR" for courses to be taken for the master's degree.
Only ONE box (UG or GR) should be checked for each course.
- The Proposed Course Plan must be agreed upon and approved by the student, and *both* the Undergraduate and Master's Departments

By signing on the line below, I confirm that I have read and reviewed the [Program Requirements](#) and understand how they apply to my specific situation.

1. I have reviewed the semester/year in which 144 total units will be completed.
2. I understand that I will transition to graduate student status (including tuition rates and eligibility for USC Financial Aid) as soon as any of the following occurs:
 - a. I complete 144 total units
 - b. My first bachelor's degree is conferred
 - c. I receive a research or teaching assistant award
3. I will be subject to undergraduate academic progress standards while in undergraduate status and master's academic progress standards while in graduate status.
4. My degrees may be awarded in the same semester, but my master's degree cannot be awarded before the undergraduate degree.
5. The time limit for completing a progressive degree program is 12 semesters (6 years) beginning from the first term of any college enrollment, including any semesters of non-enrollment*.
6. I may complete only one master's degree as part of the progressive degree program.
7. (For F-1 or J-1 international students) I have conferred with the Office of International Services regarding my immigration status. I understand that I must submit a PDP I-20 Request in Trojan International once I have been reclassified as a master's level student.
8. Upon admission, I will make certain my undergraduate expected graduation date aligns with this course plan.

* Students pursuing the five-year Bachelor of Architecture program will have a 176-unit limit due to the increased unit requirements for the degree. Except in the case of unapplied transfer units as described in the policy, no other exceptions to the 144-unit limit will be made.

**Transfer students whose transfer coursework extends beyond this timeline may have their coursework evaluated for semester-equivalency by the admitting master's program.

I hereby apply for admission to the Progressive Master's Degree Program. My Proposed Course Plan is attached and has been approved by my undergraduate and master's program advisors.
